

## Story 85: God Saved Daniel from Lions

Daniel did not stop praying to God each day. In his high government position, he did not forget God. A strange law stated that no one could worship any god except the king. Some men were jealous of Daniel. They saw him praying to the One True God. They told the king. Then the king knew he must punish Daniel. He put Daniel into a pit with hungry lions. The next morning the king went to see what had happened to Daniel. He called to Daniel "Was your God able to save you?" Daniel answered him, "Yes! God sent an angel to close the mouths of the lions." The lions had not hurt or killed Daniel. The king then told all of his people that Daniel's God was the One True God.
