

## Story 82: Isaiah Tells About the Birth of Jesus

God gave Isaiah the prophet the unusual ability to see far into the future. God showed him things that would happen on the earth hundreds of years after Isaiah died. Isaiah wrote down what God showed him. He wrote that God would send His Son to live on the earth. Eight hundred years later this happened, when Jesus Christ was born as a baby. Isaiah wrote that God's Son would be a descendant of King David. This was true of Jesus. Isaiah wrote that Jesus Christ would be the ruler and king forever. He said that this is the plan that God the Father is following on the earth.
