

## Story 9/10: Noah Builds an Ark

God told Noah, “ People are very wicked. They will not obey me. I will send a flood to destroy everything on the earth. Get some lumber and build a very large boat. I will tell you exactly how to build it. You are the only one on this earth who obeys me. So you must take your wife and your three sons and their wives into the ark with you. Also take a male and a female of every kind of animal and bird. Take enough food for your family and the animals. I will keep you and your family and the animals safe in the ark.” Noah did everything God told him to do. After many years, the ark was ready. Noah’s family and the animals got on the ark. Then God himself closed the door. Soon it began to rain.
