

## Story 51: God Led the Israelites Out of Egypt

More than 1,000,000 Israelites followed Moses out of Egypt. People, animals and food made a large, slow-moving caravan. God showed Moses the way to go. During the day, God put a large cloud in the sky for Moses to follow. At night, the cloud became a pillar of fire. The Israelites stopped to rest on the shore of the Red Sea. When the King of Egypt realized the Israelites had left, he became angry and changed his mind. He wanted the Israelites to come back to Egypt. He ordered his army to chase after the Israelites. The Israelites were terrified when they saw the king and his army coming to attack them.
