

## Story 57/58: The Israelites Moved Towards Canaan

Moses stayed on Mt. Sinai for 40 days to receive the Ten Commandments. The people became impatient and forgot about God. They made a gold idol shaped like a calf and worshiped it. Moses came down from the mountain and saw the people worshiping the idol. He became very angry and threw down the stone tablets. The tablets broke into many pieces. God was also angry with the people and punished them. Moses prayed to God and asked him to forgive the Israelites. Then God told Moses to go back to Mt. Sinai to receive the Ten Commandments a second time. Soon after that, God told Moses to start moving the Israelites toward the land he promised to give them. The land already had people living there. Those people worshiped false gods and did not want to obey the One True God. They would not be friendly towards the Israelites. God promised to help the Israelites enter Canaan, their new home.
