

## Story 101: Jesus Healed a Man Who Could Not Walk

Jesus was teaching a large group of people in a house. He heard a noise up on the roof. He looked up and saw a strange sight. Some men had made a hole in the roof of the house. They began to lower a stretcher down through the hole. A sick man was on the stretcher. They wanted Jesus to make the sick man well. The man could not move his arms or legs. Jesus looked at the sick man. He told the man that his sins were forgiven. Then Jesus told the sick man to get up and walk. The man did what Jesus said. Everybody in the house looked very surprised. Then they believed that Jesus was really the Son of God.
